Matters arising from previous meeting:

- Correction - Saturday, vets and 9 hole representatives changed from **have** to **will** have voting rights at meetings.
- Grant had spoken to Gordon who agreed with planting flaxes in the gully alongside the path on Centennial's 18th. Grant, Mary, Margery and Martha to check on placement of the plants.
- Champion of Champions details finalised for players and caddies. Matchplay winners currently play in this tournament which is a strokeplay event. Discussion took place to change this to the strokeplay winner and it was suggested that the match and strokeplay times be changed to accommodate this which would hopefully tie in with the men's finals. This to be discussed at the Ladies AGM. 9 holers to discuss also, the idea to bring the Club together on a finals weekend once again.
- Saturday ladies turned down the request to provide entertainment at the end of year dinner evening which was disappointing.

Minutes of the previous meeting were confirmed as a true and correct record.
