PRESENT: Charley Beagle (Chair), Mark Tito, Laurie Hema, Dick Fraser, Michael Keehan, George Lasker, John Davis, Grant Hill

APOLOGIES: Shaun McGreevy, Colin Ridge,

GUEST: Grant Wilson (Course Superintendent)

Minutes of the previous meeting having been circulated were approved as a true and correct record of that meeting.

Charley Beagle

Pennant format – Charley has received some proposed changes to format for 2006. These include dropping foursomes and increasing teams to 10 players. This would result in one round with tee time mid-morning resulting in some travel savings. There may still be double headers. Relegation play-off proposed along with the top team from round robin qualifying for final with teams 2 & 3 playing off for final place. This will be discussed at Half yearly meeting and Clubs have been asked to consider options and table any suggestions at this meeting.

Action: Charley to distribute the full proposal to committee for consideration and comment.

Pennant Flags - framed with names of players embossed. **Action:** Grant to arrange.

Kaingaroa Course – formal letter required to go to half yearly Bop meeting. **Action:** Grant to draft and provide to Charley.

Placing – discussion around merits of this on Centennial. Consensus was play the lie unless course condition warrant placing i.e. after fairway maintenance.

John Davis

Internet – Programme has not been updated following Capt V Pres date change. This resulted in a few players getting dates wrong. Grant apologised as this was not foreseen. Notices were placed in locker room to advise date change.

Middlemore Mugs final(on Centennial) – this is scheduled for play on same day as Capt Trophy round on Tauhara on Sept 3rd. **Action:** Grant to check what was scheduled in previous years and matter to be considered further next meeting.

Working Bee – proposed for July 2nd prior to Capt V Pres 9am start. Members to bring own tools & trailer if possible. Target 9th & 10th .
Action: John to promote on Saturdays & co-ordinate.

Black Tee day – raised at previous meeting. **Action:** referred to Saturday Committee for consideration.

Dick Fraser

Management of Clubhouse standards – raised the question of who should be implementing clubhouse dress standards i.e. should members, Club Staff or Bar Staff? **Action:** Referred to GM for response.

George Lasker

Hole cutting – noted that these seem to have improved. Grant Wilson advised holes are cut on Thursday or Friday and rotated daily. May have been a period where soft greens affected holes or staff at fault.

Tauhara Fairways – commented that these had been widened with virtually no definition now visible. **Action:** Grant Wilson will review set up.

Michael Keehan

Shoe cleaners – seem to have gone astray on Centennial. Request to consider replacing. **Action:** Grant Wilson to address

Saturday – noted numbers are strong and suggested further tee times may be appropriate. Grant advised he thought there was still sufficient room and would review previous weeks and provide info to Charley. One concern was spreading the field makes it more difficult to make fours.
Action: Grant H to provide facts and recommendations to Charley.

There being no further business, the Chairman declared the meeting **closed at 6.30pm** and thanked everyone for their attendance.

Next meeting: 4th July.
