Minutes of the previous meeting were approved:

Moved by: Bar Hoadley

Seconded by: Margery MacDonald

Reports: Wynne - 9 hole Ladies

The Hospice Tournament was a great success. 110 were in the field and \$2,400.00 was fundraised for the Hospice. Interclub is on Wednesday and Pennants is on Friday. Discussion took place re morning tea on Friday as there would be 84 in the field, but only 12 for the nine hole ladies. Wynne was going to provide morning tea for her ladies. For rest of the field, talk to Daryl to have scones available for purchase.

Tournament on 2nd May. Friends of the Course - 9 hole ladies doing garden by 18th tee and someone has offered to pick up rubbish.

Lesley - Saturday ladies

Nothing to report. 20 to 25 turn up each Saturday. Lesley looked into the NTP's. Plastic ones break too easily and hasn't found any metal ones yet.

Alison - Vets

30 - 38 out of 54 members play each week. Alison asked what was to happen with the flags when playing Terracotta tees on Centennial. Who was meant to put them

out? Margery said she had and Alison said she had brought them in. Was that the correct procedure she was asking. Someone had complained that the Terracotta tees were too rough. Grant said they would be mown in the winter. Friends of the Course - Vets looking after garden on No 1 tee on Tauhara.

Sub-Committee - Handicapping

Topcat to be changed as results from Terracotta tees on Centennial were put up.

Junior Player Development

Mary asked if anyone would be interested in playing with the juniors.

General Business:

LGU badges - now overall winner for Tuesday and Saturday ladies.

Course availability - Communication between starter and Pro Shop not always good.

Courses are not often closed. In adverse weather conditions, if there is 2 people that turn up and want to play, then there is a competition on.

Bronze Interzone 26th & 27th May.

Bay of Plenty Masters Trialists 1st May. List up in changing room.

Assn. Pennants questionnaire - At the moment you can have up to 3 Silver and 3 Bronze or 6 Bronze in a team. Some clubs are wanting all Silver players. It is not match play only Nett at the moment. Mary to write back and say we would like 2 Silver and 4 Bronze as the Bronze players don't get to play in many interclub competitions.

Thermal Pennants - question was asked why such early start times? Host club organises the time.

Trundler Room - door doesn't stay open or closed. Margery to let John know.

Next meeting: 3rd May 2011

Meeting closed: 3.50pm
