Lori has contacted the Taupo Native Plant Nursery about flaxes for the garden by the 18<sup>th</sup> tee on Centennial. There is Tenax Bronze ones for \$3.35 which grow to 1.5 metres high. Lori rang Martha Johnson to see if they would be all right and she said yes, they would attract the birds and we would only need 30. Grant is going to check with Gordon and he will ring the nursery to confirm either way.

### **General Business:**

Voting Rights on the Committee:

Do the Vets , 9 holers and Saturday Ladies representatives get a vote on the Committee? It was decided that we are allowed 6 - 8 people elected onto the Committee plus the Captain, plus a representative from the 9-holers, vets and Saturday ladies. yes they have voting rights.

Matchplay Champs:

Mary felt they went off relatively smoothly. Champ of Champs is to be held in November. Viv Wrathall who won the Bronze 2 division does not want to go and Colleen Wade who was runner up does not want to go either. Mary to follow up. Silver and Bronze 1 is in Whangamata and they will need to stay overnight as it is 36 holes on the Friday with an early start. There will be 6 in total. Margery said the caddies could stay with her as it would be cheaper. Margaret Dinwiddie would also need to go as she will be presented with her over 70's trophy that she won.

Suggestion that we have all club finals on the same weekend. Play Matchplay at the beginning of the year and Strokeplay at the end of the year. Needs to be put to the AGM.
