**Match and Committee:**

General discussion took place about suspension conditions and playing rights placed on any member and posting of these for members' information.

**Junior Development – J Howell**

Junior golf starts Monday 16<sup>th</sup> January 2011 an application for funding is to be made in near future to CEO Grant Hill.

**Course - R Forbes**

Continuing efforts are being made to encourage members to use soil buckets provided on tees to replace divots.  
Concerted effort to be made to get members to repair pitch marks and divots while playing both Tauhara and Centennial Courses.  
It is recommended that Green Fee players be made aware of their obligation to also look after our courses.  
Volunteers are being sought to assist with rolling the greens and general work on both courses.  
Volunteers are inducted for health and safety before being allowed to work on courses.  
Grant Hill reported flags on Centennial Course are to be renewed with continuing sponsorship from Harvey Real Estate. There will be three colours to indicate pin placements on the greens.

Red	front of green
White	middle of green
Blue	rear of green

The coloured flags will be used on the Centennial Course only at present.

New Flags on the Tauhara Course are to be sponsored by Lupi Olive Oil and will be one colour at the present time. The colour code may be used after review of the system on Centennial.

The club has purchased a machine for painting rims of holes on the greens. This will enable holes to be presented with white rims as seen on TV Golf. This will be used for major tournaments only.

J Davis questioned why fairway on left side bunkers of the 10<sup>th</sup> hole on Centennial is being reduced by the Course Superintendent.
