Social Committee to look at organising transport. Liquor King on 8th/9th October. Bev McCauley, Lynn Pedersen and Viv Nyssen to buy prizes for the women's section. To first check with Grant re vouchers etc. A roster for the raffle needs to be organised. Sue and Dawn to organise flowers and make ladies locker room presentable. The final round of the Strokeplay which is also qualifying round for club champs is to be played on the Tauhara Course. It was suggested by the men's committee that for the final day of the club champs, a club competition be run on Tauhara (shotgun start) so as to create more interest in the club house for the prizegiving.

Shootout. This is organised by Dorothy Stone and those qualifying have been notified

and will be played on 18th October. Those not taking part in the shootout have been invited to join in, Bev McCauley is running the BBQ.

Bev

Concerned about the grubby state of the basins and floors in the ladies locker room. The soap dispensers are not really satisfactory and measures should be taken to have them replaced or fixed.

Dawn

Is to send a card to Margaret Okelby who is very unwell. Also mentioned the state of the basin on the 5th Hole on Tauhara. Apparently it is leaking - this is the basin a fire was lit in.

Anne

Had nothing to report regarding Vets. All seems to be running smoothly.

Sue Jolly

Met with Geoff Mahill after the meeting to get a quote on refurbishing of the ladies locker room.

The Melbourne cup trip which was being organised by the Social Committee has had to be cancelled because of lack of participants. Social Committee looking at an alternative for an overnight stay. Names that are on the list will be contacted at a later date.
